Star Wars Trilogy Arcade (Windows 7-11 Compatible)

by Sega Hitmaker Co Ltd / A White Bob Installer

Publication date	2022-01-29
Usage	Public Domain Mark 1.0
Topics	Sega Hitmaker Co Ltd, star wars trilogy arcade, abandonware, a white bob installer, windows 7 8 8.1 10 11 compatible
Language	English
Item Size	76.5M

Here's another abandonware classic "Star Wars Trilogy Arcade" made compatible for Windows (x86) & (x64) 7-11...

Had trouble getting the intro video to play at the start of the game... this was fixed by deleting the NVRam file in the .bat file before loading the game...

If you wish to change the resolution right click and edit the .bat file in the games directory... it's currently set to 1024 x 768 as anything higher switches the aspect ratio to 4:3 instead of widescreen, might just be my PC though lol

Controls: Game uses the mouse and press "5" to insert coin.

Enjoy!

:)
